SUBJECT: United States Government Operations in Iraq.

We have seen a period of significant advancement in Iraq, as the yoke of Saddam Hussein's tyranny has been thrown off and democracy and economic reform have begun to take root. With the termination of the Coalition Provisional Authority (CPA) not later than June 30, 2004 and the re-establishment of diplomatic relations between the United States and a sovereign Iraqi government, our efforts in Iraq will take on new and formidable challenges that must be met successfully.

During these critical times, we must organize to advance these gains and establish and sustain a strong bilateral relationship. When the CPA is terminated, the United States will be represented in Iraq by a Chief of Mission, who on my behalf and under the guidance of the Secretary of State, shall be responsible for the direction, coordination and supervision of all United States Government employees, policies, and activities in country, except those under the command of an area military commander, and employees seconded to an International Organization.

Commander, USCENTCOM, under the authority, direction, and control of the Secretary of Defense, shall continue to be responsible for U.S. efforts with respect to security and military operations in Iraq. In all activities, the Chief of Mission and Commander, USCENTCOM shall ensure the closest cooperation and mutual support.

The Secretary of State shall be responsible for the continuous supervision and general direction of all assistance for Iraq. Commander, USCENTCOM, with the policy guidance of the Chief of Mission, shall direct all United States Government efforts and coordinate international efforts in support of organizing, equipping, and training all Iraqi security forces. At the appropriate time, the Secretary of State and the Secretary of Defense shall jointly decide when these functions shall transfer to a security assistance organization and other appropriate organizations under the authority of the Secretary of State and the Chief of Mission that will be staffed in accordance with NSDD-38 of June 2, 1982.

The U.S. Mission in Baghdad and an office in the Department of State will assume from the CPA those authorities and responsibilities that continue after CPA termination.

I establish, in accordance with Title 5, United States Code, section 3161, a temporary organization within the Department of State and, if the Secretary of State so designates, within the U.S. Mission in Baghdad, called the Iraq Reconstruction Management Office (IRMO) to facilitate the transition in Iraq. The IRMO will be headed by a Director selected by the Secretary of State, and its staff may include, as determined by the Secretary: (1) personnel with relevant expertise detailed on a non-reimbursable basis from other United States Government agencies; (2) senior and other technical advisors; (3) personnel from other Coalition partner governments; and (4) such other personnel as the Secretary may direct to support that effort.

~~The Secretary shall regularly evaluate the staffing requirements of this organization.~~

I also establish, in accordance with Title 5, United States Code, section 3161, a temporary organization within the Department of Defense to be called the Project and Contracting Office (PCO) to provide acquisition and project management support with respect to activities in Iraq, as requested by the Secretary of State and heads of other Departments and agencies. The Secretary of Defense in consultation with the Secretary of State shall select a Director for PCO. PCO personnel in Iraq shall be permanently or temporarily assigned under Chief of Mission authority. PCO shall provide acquisition and project management support to the Chief of Mission. PCO's services may include engineering, auditing, and other contract-related services.

The effort to build a strong bilateral relationship with the Government of Iraq and support Iraq as it makes the transition to democracy must have the full commitment of all agencies. To accomplish our mission, I direct the heads of U.S. departments and agencies to provide, on a non-reimbursable basis, assistance, services and other support, to include security, medical, logistical and administrative support and details of personnel, with respect to U.S. activities in Iraq. To the maximum extent possible, the Secretary of State shall identify for the heads of relevant departments and agencies the expected requirements for non-reimbursable support for their use in preparing future budget requests. The Director of the Office of Management and Budget shall ensure that future budget submissions request the funding and authorities I determine necessary to support the U.S. Mission in Iraq.

This NSPD shall be effective immediately, shall constitute an Executive order solely for purposes of 5 U.S.C. 3161, and shall not be subject to Executive order 11030 of June 19, 1962, as amended. The CPA shall terminate not later than June 30, 2004. Upon the termination of the CPA, this NSPD supersedes NSPD-24, dated January 20, 2003.
